

Light a Luminary at the 22nd Annual Into the Light Cancer Awareness Walk

Friday, September 24, 2021 • 4:00 to 10:00 p.m.
Isabella County Fairgrounds
500 N. Mission Rd., Mt. Pleasant

Lighting a Path Toward Hope

It's one of the most inspirational moments at the Community Cancer Services - Into the Light Cancer Awareness Walk. When the sun goes down, hundreds of luminaries light the way under the stars to remember those lost to cancer, those fighting cancer and those who have fought cancer and won. This ceremony of light symbolizes the hope and perseverance with which we all continue to fight.

What is a Luminary

A luminary is a glowing bag, that appears to be nothing more than a paper sack filled with sand and a candle. But these bags represent more; they represent people, each with a name and a story to tell. Each glowing bag represents our shared vision for a future in which cancer no longer threatens the people we love.

Order a luminary for your loved ones and friends who have been touched by cancer. You can make a tribute in honor of a cancer survivor or in memory of someone who has lost the battle. Your loved one's name will appear on a luminary and will be lit during the Luminary Ceremony at Into the Light. You will have the satisfaction of knowing that your gift will support the Isabella County Community Cancer Service's efforts to make a real difference in the lives of those fighting cancer.

Anyone making a donation may have names placed on a luminary bag(s). We are happy to make the bags for you or deliver bags to you to design. If you would like us to make the bags, please complete the information below and mail with payment to the address below. If you would like to make your own bags, please see contact information below and we will deliver them to you.

Fall 2021

“What does the Into the Light Cancer Awareness walk mean to me?”

Laurie Peters, Board Member,
Community Cancer Services of Isabella County

The very first time I attended the ITL cancer walk was years ago.....I became aware of the organization through friends of mine who were very active in the group and they introduced it to me. My husband had lost his Mom to lung cancer early in our relationship; her death was hard and it impacted my then boyfriend so very profoundly. That was my first brush with this terrible disease. Years later, I lost my Dad to a very fast moving cancer. So fast that we hardly had time to grasp it. These were the two lost loves that Bob and I walked for during our first ITL walks. I decorated beautiful luminaries for each of our parents; I included pictures of them and sweet sentiments. The walking path was beautifully illuminated and we celebrated the memories of our Mom and Dad. I don't recall knowing at the time what exactly Community Cancer Services supported with the funds they raised...I only knew that they gave us a public platform where we could share our sorrow for our losses but also where we could celebrate the warriors that were fighting their battle and succeeding!!

Fast forward many, many years and I am now a very proud member of the Board of Directors for Community Cancer Services of Isabella County. The mission of our group is simple: to help pay some of the uncovered expenses that cancer patients face. Travel to appointments is expensive for many as they seek the specialized care that this disease warrants. CCS helps in that way by assisting with travel costs and out of town lodging.

I've attended Into the Light walks for many years so why, now, am I more directly involved? This Emperor of all maladies, cancer, entered my life once again, in a very profound and direct way. You see, in 2014, during the most amazing year of our life, my darling husband was diagnosed with Melanoma skin cancer. His cancer advanced so very quickly....moving from a mole on his shoulder to malignant lesions in his brain and other internal organs. He became a Stage 4 cancer patient and endured so much. He was immediately referred from his local physician to a melanoma specialist at University of Michigan in Ann Arbor. Can you imagine those trips.....54 of them his first year. Back and forth to Ann Arbor for the day....sometimes for the night.

This is where Community Cancer Services of Isabella County can step in to help. Easing the burden of those long trips.....the gas, the lodging.....the help that we can give allows our clients to have one less worry amongst all the worries that come with a cancer diagnosis. You see, no one fights alone. We seek to be a tool in your toolbox against cancer.

This year's Into the Light Cancer Awareness walk will be one of great celebration!! It's been far too long since we've all been able to gather as one, to gain strength from one another, to celebrate our survivors, to share the memories of our lost loves, to support those who are currently battling this terrible disease.

I hope that you will join us on September 24th.

I know to some it looks like “just a blanket”...

But...

I remember a beautiful young man who was fighting cancer many years ago...

He made this for my wife...gave it to her through hugs and tears...

And that day it was dubbed “Our Birdy Blanket” and was put in the safest place in the house...used sparingly...

Well when the dog peed on my comforter the other day...?????... I saw it and smiled...

I grabbed it and tossed it on our bed, wrapping it around me...

And remembering...

His smile...his antics...his attitude...his drive...fighting every day for life and beating that damn disease...

I even remember going to Ann Arbor to see him...his mom telling the staff I was her ex husband to be able to get me in to see him...

His brother Henry Wiles was sitting next to him...immediately jumping up to hug me...

Birdy was so jaundiced...so thin...lying there sleeping...I was standing over him when he woke...

He looked at me and groaned...looked at Henry and said, “Hey...did I die? Did they send me to hell and Gross is waiting for me???”

I actually snorted and Henry and I cracked up...

I held his hand and talked for quite a while...so thankful for the short time I got to spend with him...

He passed soon after...

And I was so incredibly honored when his mom Lisa Kovac Wiles asked me to speak at his service...

Birdy, you were extra special. And this blanket comforted me so very much...

For you, yesterday, I went to teach class, jamming to “FreeBird” as loud as I could handle...singing without embarrassment...

And smiling...

Fly high my friend...I very much hope to see you again someday...

“If I touch their minds, I might be remembered.. But if I touch their hearts, I might embed in their souls”

Quotes...

“You’re braver than you believe, and stronger than you seem, and smarter than you think.” – A.A. Milne, author of Winnie the Pooh

Hope begins in the dark, the stubborn hope that if you just show up and try to do the right thing, the dawn will come. You wait and watch and work: You don’t give up. – Anne Lamott

Hope is the thing with feathers, that perches in the soul, and sings the tune without the words and never stops at all. – Emily Dickinson

Mileage Reimbursement Program

Did you know that CCS will help pay your mileage to and from cancer treatments and help with out of town lodging? Last year CCS provided almost \$61,000 in medical milage and lodging. We are your local cancer organization and are here to help you during this stressful time. For more information call Vanda, the Patient Coordinaor at 989-772-2524. All call and clients are confidential.

CCS is not affiliated with American Cancer Services

Pardee Cancer Fund of Isabella County

Isabella County residents are fortunate to have the Pardee Cancer Foundation available to help with the expenses of cancer. Pardee provides financial support for cancer treatment expenses not covered by insurance. Call 989-772-6895 for more information.

CCS Board of Directors Meetings

The CCS Board of Directors meets the second Thursday of the month. Due to the Covid-19 restrictions the board has been meeting via Zoom. Prospective members are invited to call President Richard Fleming at 989-772-5556 for more information.

From our Clients....

I want every single person fighting this horrible disease to know this: you are not alone. There are so many of us who know what it’s like to be thrown the curve ball of cancer. Fight on, and never give up.

My own battle has taught me how to live life to the fullest. No matter the severity, anyone who has received a cancer diagnosis knows that life will never be the same. But that doesn’t mean life is over, and for me, it didn’t mean I couldn’t chase my dreams. Cancer taught me that life is so much more than what society deems important.

After my melanoma treatment, I am not just alive. I am a new person with a new gratitude for the people I love and a new outlook on life. I truly am blessed.

Team Registration / Individual Walker Form

Community Cancer Services (CCS) is an all-volunteer, non-profit, tax-exempt organization which has been serving Isabella County residents dealing with cancer for over 35 years! Since no salaries are paid, approximately 90 cents out of every dollar goes directly to help needy cancer patients in our county. CCS provides financial help to Isabella County cancer patients who are struggling to pay their cancer-related expenses. Services include financial assistance for transportation cost for trips to receive treatments.

Team members will receive an event t-shirt (limited sizes available). Ask family, friends and co-workers to pledge their support. ALL proceeds benefit Community Cancer Services for cancer patient support.

Into the Light Cancer Awareness Walk – 2021

“HONOR - ENCOURAGE – REMEMBER”

This year’s walk is scheduled for September 24th at the Isabella County Fairgrounds. This year we are going to focus our walk with more time “Honoring our Survivors. Encouraging our Fighters and Remembering those who lost their battle to CANCER.”

We’re going to encourage the community to form teams and purchase luminaries for family and friends who are survivors, fighters, and loved ones who have lost the battle. For more information contact Suzanne Courser at 989-644-2504 or 989-621-4096. Thank you for your continued support.
